

Sutton Outdoor Preschool Pricing Structure

Sessional days run from 9am to 3pm, Monday to Friday during Birmingham Term Time (38 weeks per year). We charge £45.00 per day. We require a minimum attendance of two sessional days per week (on completion of the settling-in period).

Funded places are available for children at the start of the term following their 3rd birthday. Depending on eligibility, children may be entitled to 15 or 30 funded hours. A maximum of 5 funded hours can be used for each sessional day, meaning one hour a day is chargeable (see table below for additional charge). The additional charge reflects the extra costs associated with our ratios of 1:4 adults for all age phases, the specialist training of our team and the enhanced educational programme we deliver.

Sessional days: 9am to 3pm. Up to 15 hours per week over 38 weeks per year = 570 hours per year

How we calculate fees

We take the number of funded hours per week that a child is accessing (a minimum of 10 hours per week over 2 days) and charge for the additional hours as per the table above to invoice accordingly. A session is 6 hours long, so 15 hours funding means that a child can have up to 3 funded sessions per week and the additional hour each funded day is included in the additional charge of £23.00. For children who are eligible for extended entitlement the additional charge remains the same, but more days can be accessed using the funded hours. Any additional non-funded sessions, are charged at the normal session rate.

The number of funded sessions accessed per month for each child, is shown on the monthly invoice alongside the additional hours charged and any non-funded sessions.
